Save the file to a convenient location on your workstation. Unzip the file if necessary.

Read Me First:

If you have a machine at a System Software version lower than 25.054.040.035 please install **XSA_56xx08_Pre-upgradePatch.dlm** included with this software. This must be installed prior to this system upgrade. If your machine is at System Software version 25.054.040.035 or above, you **DO NOT** need the pre-upgrade patch.

Note: If your machine is alt-booted by Xerox Service to System Software version 25.054.040.035 or above, you **DO NOT** need the pre-upgrade patch.
